

SCHOOL PROGRAMS

Growing young minds and the game of chess in the greater madison area

WHY CHESS?

- Positive youth engagement & development
- Promotes social, emotional, cognitive & educational benefits
- Fosters problem solving & critical thinking
- Builds competitiveness & respect

HOW IT WORKS

- Our highly trained coaches come to your school
- Clubs meet for one hour weekly before or after school
- A 12:1 student/coach ratio
- Online enrollment & payment, roster management and parent communication are handled by our team, unless otherwise desired

Payment Options

- Individual Family- families directly sign up & pay directly to Growth Chess. Most Common
- School Plan- the school pays \$100 per weekly session for up to 12 students. If they'd like to increase to 12 students an additional \$80 per session. A great way to reduce the cost of a chess program is by hosting a tournament with the help of Growth Chess.

Host a Chess Tournament

- Want to give your students a home tournament to help drive chess in your school?? Have Growth Chess host a tournament at your school!
- We provide all chess equipment, staff, advertising, and support pre-post tournament.
- The school receives a portion of the profits!
Additional opportunities if parents want to do concessions.

BENEFITS

- All chess equipment and supplemental resources provided
- Free ChessKid memberships for all students
- Coaching available at local, regional & national tournaments
- Private lessons available for interested families

OUR TEAM

- Our coaches strive to create fun learning environments
- Receive classroom management training
- Continuous professional development & improved curriculum
